Div 1 Boating starts 8:25am
Div 2 Boating starts 11:10am
Div 3 Boating starts 13:45

All equipment used for all volunteer jobs will be set up in the gym at DARC. Each job will have a box labelled with all the equipment needed for that role along with some brief instructions. Once you have finished your job, please return the equipment to the same box in the hall ready for the next person to collect. Please stick to the times for your job so each division runs on time.

Launch drivers and launch crew are to meet at DARC landing stage 15 minutes before boating commences for each division. Equipment for launches will be with each launch. David Beeby is in charge of safety boat equipment and launches. Any issues, please speak to David. safety.advisor@durham-arc.org.uk

Start marshals are to walk up to the start/marshalling area together and make sure they understand the marshalling system.
